## **Chess Center Memberships**

C&O Family Chess Center offers memberships for individuals and families interested in chess education, competition, and support of chess activities in this area. Members have free borrowing privileges from the center’s extensive, dues supported, chess library (more than 200 books, magazines, and other materials). Other benefits of membership include free club ratings, discounts on lessons, tournament entry fees, and books & equipment. Members’ dues also help support the largest free chess club in Maryland, the Chess Club at Lakeforest Mall (LFM), which meets daily, seven-days-a-week, in the food court. Most players arrive after 6:00 PM, weekdays, and any time after noon on week-ends. Players are welcome in the chess club area any time during mall hours. In addition there may be events for members only, such as master classes, advanced classes on DVD, and the annual club championship and barbeque.

Of course all members may still play at the Lakeforest Mall club for free and use the resources on our website.
